

Neta Monsoon Tractor Sprinkler

The Monsoon tractor is ideal for extra-large lawns. The self-propelled tractor slowly follows a pattern laid out with the hose, automatically stopping when it reaches the ramp. Made from heavy-duty, die-cast iron.

Features and Benefits:

- Heavy-duty die-cast construction ensures it remains on track.
- No need to move the sprinkler, the Monsoon Tractor allows you to determine its path, which is laid out with the garden hose.
- The design incorporates a shut-off ramp that automatically stops the sprinkler and turns it off for you.
- Spray diameter ranges from 4.5 to 13.5 metres.
- The sprinkler can travel up to 60m and will water an area up to 950m².
- Recommended for use with 18mm garden hose.
