8081 RADIO PROGRAMMER PLUS

SoloRain

IF YOU ARE, THEN YOU'RE READY FOR SOLORAIN™!

With SoloRain's 8081 Radio Programmer Plus, irrigation control is at your fingertips. No more getting down on your hands and knees or being ambushed by spiders and snakes! No more searching for valve boxes - you don't even need to get out of your truck! With features like programming an unlimited number of 8030 or 8050 Series actuators and a range of signal up to 180 feet, maintaining those irrigation systems will be more like a walk ^{ride} in the park.

If you're not thinking outside the box - It's time to start! See your nearest Nelson dealer about SoloRain and go for a drive.

Impact-resistant plastic housing and protective carrying jacket included

Secure bi-directional signal for confirmation of program acceptance

Radio eliminates direct cord connection to actuator

RANGE OF SIGNAL IS LINE-OF-SIGHT UP TO 180 FEET OR 60 FEET WITH 8040/8060 INSTALLED IN AND IN-GROUND VALVE BOX, DEPENDING ON CONDITIONS
